ASSURING YOUR FUTURE WITH ENTERPRISE 4.0 ORIENTED LEARNING

The fourth industrial revolution is upon us which is leading the future with internet of Things (IoT), Cloud computing, cyber-physical systems and cognitive computing solutions. PIET, one of the top engineering colleges in Haryana offers course curriculum designed for Enterprise 4.0, with a higher tech-orientation, more hands-on learning and unique industry-academia partnerships. Making PIET not just among the best engineering colleges in Haryana, but also that smart world, where intelligence and experience come together to produce the technocrats and managers of tomorrow, supported by a privilege that is of par with the best in the world.

ADMISSIONS OPEN 2019-20

THE FOURTH INDUSTRIAL REVOLUTION HAS BEGUN

Udit Dixit (TE)
Magnum Resources

I am with Magnum Resources with a package of 8 Lac p.a. I can never forget PIET and will be indebted to it throughout my life. My advice to PIETians is, "Set your goals high, choose your employer who can augment your strengths and help you in achieving your goals."

Top Companies at PIET

Request a Counselling

No matter what's troubling you, get the support you need, right here, right now. Our counselors review all your preferences, make a careful selection and suggest you the right course, based on your academic background and future plans.
